

Appreciated Securities

Use Stock to Leave Your Legacy

Contributing stocks or mutual funds to Women for Women International is a simple way to help advance our cause of empowering women. When you make a gift of appreciated securities, you may be able to avoid capital gains tax, diversify your portfolio and/or secure a steady stream of income.

How it Works

It's easy to make a gift of appreciated securities, which include publicly traded stocks, bonds, and mutual fund shares. These gifts provide you the additional benefits of avoiding capital gains tax, diversifying your portfolio, and/or securing a predictable stream of revenue.

Simple Steps:

1. You transfer appreciated securities to Women for Women International.
2. Women for Women International sells the securities and uses the proceeds to fund critical programs.
